*My Fellow Americans* reveals the fascinating Scouting stories behind each U.S. president's association with the Boy Scouts of America from Theodore Roosevelt through Barack H. Obama. It details each chief executive's important contributions towards the building of the American Scouting movement as the country traveled a path toward historic national inclusionary domestic policies.

*My Fellow Americans* is the perfect companion for every proud citizen who seeks a better understanding of how BSA successfully shaped and developed over 115 million duty-driven and service-oriented young people during the past century through its unique and influential partnership with nineteen consecutive presidents of the United States.
